- Bachelor Fee is THB 400,000
- For Master Program, all eligible student will get a minimum of 12 credits fellowships (THB 635,000) and tops (depending on number of students enrolled), may get additional fellowship based on the grades and ranking

Why this program?
- Two Degrees in Global Environment
- Employers prefer students with 2 degrees in hand than only 1 degree
- International exposure to diversified areas of excellence
- Interaction with world class faculty and international students
- Association with SU and AIT's widely-known brand name
- A doorway to facilitate higher studies/ international jobs
- Economical compared to other available alternatives
- Prepare graduates for professional success and leadership roles in Asia and beyond
- Easy Travel by students / parents
